Graphic Designer

Ashley Edgar

Profile

I'm a hard working, self-motivated individual who is passionate about Graphic Design and illustrations.
An artist at heart, I love to paint and draw. These skills add to my creative problem-solving solutions. I have extensive knowledge about creating vector illustrations, logos, business cards, brochures, posters, info-graphs, editorials and websites. I strive to learn and stay up to date with all software and am willing to try new things.

Design Experience

- Professional and courteous
